

Independent Auditor's Report

**To the Members of
Plaza Wires Limited
(formerly known as Plaza Wires Pvt. Ltd.)**

Report on the audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of M/s. Plaza Wires Limited (formerly known as Plaza Wires Private Limited) ("the Company") which comprises the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (here in after referred to as "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the Profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Ind AS Financial Statements.

Information other than the Ind AS financial statements and auditors' report thereon

The Company's board of directors is responsible for other information. The other information comprises the information included in the Director's Report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

The Director's report in this regards is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statements

The accompanying Ind AS financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system with reference to the Ind AS financial statements in place and the operating effectiveness of such controls.

Independent Auditor's Report to the members of Plaza Wires Limited (formerly known as Plaza Wires Pvt. Ltd.), on the financial statements for the year ended March 31, 2023 (Cont'd)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

Materiality is the magnitude of misstatements in the Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The Company had prepared the statutory financial statements for the year ended March 31, 2022 and March 31, 2021 in accordance with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of Companies (Accounts) Rules, 2014 (as amended) on which we issued auditor's reports to the members of the company dated September 2, 2022 and November 8, 2021 respectively. These financial statements have been adjusted for the differences in the accounting principles adopted by the Company on transition to Ind AS, which have also been audited by us. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

- (i) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (ii) As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:

Independent Auditor's Report to the members of Plaza Wires Limited (formerly known as Plaza Wires Pvt. Ltd.), on the financial statements for the year ended March 31, 2023 (Cont'd)

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows dealt with by this report are in agreement with the books of account.
- d. In our opinion, the aforesaid Ind AS financial statements, comply with Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e. On the basis of the written representations received from the directors as on March 31, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of Section 164(2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting with reference to the Ind AS financial Statements of the Company and operating effectiveness of such controls, refer to our separate report in annexed as Annexure II;
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and as per information and explanation given to us, the company has provided/ paid the managerial remuneration for the financial year 2022-23 of Rs. 15.15 Millions which is in excess by Rs. 2.12 millions as per the limit specified u/s 197 of the Companies Act, 2013. The Company has taken the approval of the shareholders in the duly called and convened meeting held on August 7 2023 as required to comply as per Companies Act, 2013 and is in the process of filing the requisite documents with the Registrar of Companies.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position as at March 31, 2023;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31, 2023;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended as at March 31, 2023; and
 - iv. (a) The Management has represented that, to the best of their knowledge and belief, as disclosed in note 44 to the financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

Independent Auditor's Report to the members of Plaza Wires Limited (formerly known as Plaza Wires Pvt. Ltd.), on the financial statements for the year ended March 31, 2023 (Cont'd)

- (b) The Management has represented, that, to the best of their knowledge and belief, as disclosed in note 44 to the financial statements, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the year ended March 31, 2023.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 requires all companies which use accounting software for maintaining their books of account, to use such an accounting software which has a feature of recording audit trail (edit log) facility, with effect from the financial year beginning on April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

Annexure I as referred to in paragraph (i) 'Report on Other Legal and Regulatory Requirements of our Independent Auditor's Report to the Member of Plaza Wires Limited (Formerly known as Plaza Wires Private Limited) on the Ind AS Financial Statements for the year ended March 31, 2023.

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we report that:

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (i) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets.
 - (ii) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Company's property, plant and equipment were physically verified by management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification programme of its assets property, plant and equipment and right-of-use assets adopted by the Company is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) The title deeds of the immovable properties as disclosed in the Ind AS financial statements included under Property, Plant and equipment are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its property, plant & equipment (including right-of-use assets) or intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.
- ii. (a) The management has physically verified the inventory during the year at reasonable intervals. The discrepancies noticed on physical verification of inventory as compared to book records were not material and has been properly dealt with in the books of accounts.
- (b) The Company has been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, during the year, from banks on the basis of security of current assets. As disclosed in note 16 to the Ind AS financial statements, the quarterly statements filed by the Company with such banks are in agreement with the books of accounts of the Company and no material discrepancy is noticed.
- iii. The company has not made any investments in, not provided any security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year and hence reporting under clause (iii) (c), (d), (e) and (f) of the Order is not applicable. However the Company has provided guarantee, to a company, in respect of which:
 - (a) The company has stood guarantee during the year and the balance outstanding of the guarantee to Adani Capital Pvt. Ltd. as at balance sheet date is Rs. 19.64 millions and
 - (b) The guarantee provided and the terms and conditions of guarantee provided are, in our opinion, prima facie, not prejudicial to the Company's interest.
- iv. In our opinion and according to information and explanation given to us the Company has not made any investment and given loan, guarantee or security under section 185 and 186 of the Act. Hence, clause 3(iv) of the Order is not applicable.

Annexure I as referred to in paragraph (i) 'Report on Other Legal and Regulatory Requirements of our Independent Auditor's Report to Members of Plaza Wires Limited (Formerly known as Plaza Wires Private Limited) on Ind AS Financial Statements for the year ended March 31, 2023 (Cont'd)

- v. According to the information and explanations given to us, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Hence, clause 3(v) of the Order is not applicable.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. In respect of statutory dues:
- (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
- (b) There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Accordingly, the clause 3(viii) of the Order is not applicable to the Company.
- ix. (a) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.
- c) According to the records of the Company examined by us and the information and explanation given to us term loans taken by the company were applied for the purpose for which the loans were obtained.
- d) On an overall examination of the Ind AS financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) On an overall examination of the Ind AS financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary, associate or joint venture.
- f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiary, joint venture or associate company.
- x. (a) According to the information and explanations given to us, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence, reporting under clause 3(x)(a) of the Order is not applicable. However the Company has decided to go public for the purpose of raising funds through Initial Public Offer and for the purpose of the same, the company had filed Draft Red Herring Prospectus (DRHP) to Securities Board Exchange of India (SEBI) and approval from SEBI has been obtained and accordingly the company is now in the process of filing UDRHP/RHP (Refer Note no. 46 of Financial Statements).

Annexure I as referred to in paragraph (i) 'Report on Other Legal and Regulatory Requirements of our Independent Auditor's Report to Members of Plaza Wires Limited (Formerly known as Plaza Wires Private Limited) on Ind AS Financial Statements for the year ended March 31, 2023 (Cont'd)

- (b) As per information and explanations given to us, during the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence, reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 (as amended) with the Central Government, during the year and up to the date of this report.
- (c) As explained to us no whistle-blower complaints received by the Company during the year (and upto the date of this report).
- xii. As per information and explanations given to us, the Company is not a Nidhi Company. Hence, clause 3(xii)(a) to (c) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the Ind AS financial statements as required under Indian Accounting Standard (Ind AS 24), Related Party Disclosures specified under Section 133 of the Companies Act, 2013.
- xiv. In our opinion, the company is not required to comply with the provisions of section 138(1) of the Act and hence clause 3 (xiv)(a) to (b) of the Order is not applicable.
- xv. As per information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence clause 3 (xv) of the Order is not applicable.
- xvi. a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, clause 3(xvi)(a) of the order is not applicable.
- b) According to our information, the company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934. Hence, clause 3(xvi)(b) of the order is not applicable.
- c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence, clause 3(xvi)(c) of the order is not applicable.
- d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and hence reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year, hence clause 3 (xvii) of the Order is not applicable.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios disclosed in Note 43 to the Ind AS financial statements, ageing and expected dates of realisation of financial assets and payment of financial liabilities,

Annexure I as referred to in paragraph (i) 'Report on Other Legal and Regulatory Requirements of our Independent Auditor's Report to Members of Plaza Wires Limited (Formerly known as Plaza Wires Private Limited) on Ind AS Financial Statements for the year ended March 31, 2023 (Cont'd)

other information accompanying the Ind AS financial statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We furtherstate that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013, pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

xxi. According to the information and explanations given to us, the Company does not have any Subsidiary, Associate or Joint Venture. Accordingly, reporting under clause 3(xxi) of the Order is not applicable.

Annexure II referred to in paragraph (ii)(f) of the Independent Auditor's Report to the Members of Plaza Wires Limited (formerly known as Plaza Wires Private Limited) being report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the financial statements of Plaza Wires Limited (formerly known as Plaza Wires Private Limited) ("the Company") as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the financial statements of the Company.

Meaning of Internal Financial Controls with reference to the financial statements

A company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the financial statements includes those policies and procedures that

Annexure II referred to in paragraph (ii)(f) of the Independent Auditor's Report to the Members of Plaza Wires Limited (formerly known as Plaza Wires Private Limited) being report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act (Cont'd)

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the financial statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as at March 31, 2023, based on the internal financial control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 CORPORATE INFORMATION

Plaza Wires Private Limited was incorporated on 23rd August, 2006 under the Companies Act, 1956 having its registered office at A-74, Okhla Industrial Area Phase-2, Delhi-110020. The Company is engaged in manufacturing and trading of electrical wire and allied products. Company has been converted into a Public Company on 10/03/2022.

The Company's Ind AS Financial Statement for the year ended March 31, 2023 were approved for issue in accordance with a resolution dated August 16, 2023.

2 BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

A BASIS OF PREPARATION AND COMPLIANCE

- 2.1 These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

The Company's financial statements upto and for the year ended 31 March 2022 were prepared in accordance with Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act (IGAAP).

As these are the Company's first financial statements prepared in accordance with Ind AS, Ind AS 101, First-time Adoption of Indian Accounting Standards has been applied. An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 42.

The Financial Statement of the Company comprises of the Balance Sheet as at March 31 2023 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash flows for the year ended March 31, 2023 and , the Basis for Preparation and Significant Accounting Policies and the Statement of Notes to the Financial Statement (hereinafter collectively referred to as ' Financial Statement').

The accounting policies set out below have been applied consistently to the periods presented in the financial statements.
These financial statements have been prepared on a going concern basis.

2.1 Basis of measurement

The Financial Statement of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) on a Historical Cost Convention on accrual basis, except for the following material items:

- Certain financial assets and liabilities that are measured at fair value.
- Net defined benefit plans- Plan assets measured at fair value less present value of defined benefit obligation.

Determining the Fair Value

While measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

2.2 Current and Non-Current Classification

The Company presents assets and liabilities in statement of financial position based on current/non-current classification. The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- 'Expected to be realised or intended to be sold or consumed in normal operating cycle,
 - 'Held primarily for the purpose of trading,
 - 'Expected to be realised within twelve months after the reporting year, or
 - 'Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting year.
- All other assets are classified as non-current.

A liability is classified as current when it is:

- 'Expected to be settled in normal operating cycle,
- 'Held primarily for the purpose of trading,
- 'Due to be settled within twelve months after the reporting year, or
- 'There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting year.

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle.

2.3 Functional and Presentation Currency

Items included in the Financial Statement of the Company are measured using the currency of the primary economic environment in which it operates i.e. the "functional currency". The Company's financial statement are presented in INR, which the Company's functional currency. All amounts have been rounded to the nearest Millions, unless otherwise indicated.

2.4 The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented.

These judgments and estimates are based on management's best knowledge of the relevant facts and circumstances, having regard to previous experience, but actual results may differ materially from the amounts included in the financial statements.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

The information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements. Refer Note 3 for detailed discussion on estimates and judgements.

(B) SIGNIFICANT ACCOUNTING POLICIES

1 Property, Plant And Equipment:

(i) Recognition and measurement

Property, Plant and equipment are measured at cost (which includes capitalised borrowing costs) less accumulated depreciation and accumulated impairment losses, if any.

The cost of an item of property, plant and equipment comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.
- the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment and depreciated accordingly.

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss on the date of disposal or retirement

On transition to Ind AS as on April 1, 2021 the Company has elected to measure certain items of Property, Plant and Equipment at cost as per Ind AS. The same are considered as deemed cost on the date of transition to Ind AS.

(ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

(iii) Depreciation, Estimated useful life and Estimated residual value

Depreciation is calculated using the Straight Line Method, pro rata to the period of use, taking into account useful lives and residual value of the assets. The useful life of assets & the estimated residual value taken from those prescribed under Part C of Schedule II to the Companies Act, 2013.

Depreciation is computed with reference to cost. Depreciation on additions during the year is provided on pro rata basis with reference to month of addition/installation. Depreciation on assets disposed/discarded is charged up to the date of sale excluding the month in which such assets is sold.

The assets residual value and useful life are reviewed and adjusted, if appropriate, at the end of each reporting year. Gains and losses on disposal are determined by comparing proceeds with carrying amounts. These are included in the statement of Profit and Loss.

Property, plant and equipment	Useful life as per company
Building	30/60 Years
Office Equipments	5/8/10 Years
Computer	3 Years
Furniture and Fixtures	10 Years
Vehicles	8/10 Years
Plant and Machinery	15 Years
Solar Plant	25 Years

Land is carried at historical cost and is not depreciated.

Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all the items of property, plant and equipment recognised as at April 1, 2021, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

2 INTANGIBLE ASSETS

Identifiable intangible assets are recognised when it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

(i) Recognition and measurement

Computer software's have finite useful lives and are measured at cost less accumulated amortisation and any accumulated impairment losses.

(ii) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, when incurred is recognised in statement of profit or loss.

(iii) Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values using the straight-line method over their estimated useful lives and is generally recognised in statement of profit or loss. Computer software are amortised over their estimated useful life or 10 years, whichever is lower.

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted, if required.

Intangible Asset	Useful life as per company
Computer Software	10 Years

Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all the items of Intangible assets recognised as at April 1, 2021, measured as per the previous GAAP, and use that carrying value as the deemed cost of such Intangible assets.

3 Impairment of non financial assets

An asset is considered as impaired when at the date of Balance Sheet, there are indications of impairment and the carrying amount of the asset, or where applicable, the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the statement of profit and loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

Impairment losses are recognised in the statement of profit and loss.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the summary statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

4 Financial assets

Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

Subsequent Measurement

Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represent solely payments of principal and interest on the principal amount outstanding.

Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial asset and credit risk exposure:

- a) Financial assets that are debt instruments and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

- For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. Expected Credit Loss Model is used to provide for impairment loss.

5 Financial liabilities

Classification

The Company classifies its financial liabilities in the following measurement categories:

- those to be measured subsequently at fair value through profit and loss-[FVTPL]; and
- those measured at amortised cost. [AC]

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or at amortised cost.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, lease liabilities, loans and borrowings including bank overdrafts

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss [FVTPL]

Financial liabilities at fair value through profit or loss [FVTPL] include financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/loss are not subsequently transferred to statement of profit or loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

Financial liabilities at amortised cost (Loans and borrowings)

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

6 CASH AND CASH EQUIVALENT

Cash and cash equivalent including other bank balances in the summary statement of assets and liabilities comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the summary statement of cash flows, cash and cash equivalents including other bank balances consist of cash and short-term deposits, as defined above as they are considered an integral part of the Company's cash management.

7 INVENTORIES

Raw Materials are valued at cost.

Stores and Spares are valued at cost.

Work-in-Progress are valued at cost

Finished stocks are valued at cost or net realisable value whichever is lower.

The valuation of inventories includes taxes, duties of non refundable nature and direct expenses and other direct cost attributable to the cost of inventory, net of excise duty/Goods and Service Tax/ countervailing duty / education cess and value added tax.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. The net realizable value of work-in-progress is determined with reference to the selling prices of related finished products. Raw materials and other supplies held for use in production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realizable value.

8 EARNINGS PER SHARE

(i) Basic earnings per share

Basic earnings per shares is calculated by dividing Profit/(Loss) attributable to equity holders (adjusted for amounts directly charged to Reserves) before/after Exceptional Items (net of tax) by Weighted average number of Equity shares, (excluding treasury shares).

(ii) Diluted earnings per share

Diluted earnings per shares is calculated by dividing Profit/(Loss) attributable to equity holders (adjusted for amounts directly charged to Reserves) before/after Exceptional Items (net of tax) by Weighted average number of Equity shares (excluding treasury shares) considered for basic earning per shares adjusted for the effects of dilutive potential Equity shares.

9 FOREIGN CURRENCY

Foreign currency transactions

Transactions in foreign currencies are translated into the functional currency of the Company at the exchange rate prevailing at the date of the transactions. Monetary assets (other than investments in companies registered outside India) and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date.

Difference on account of changes in foreign currency are generally charged to the statement of profit & loss

10 Revenue recognition

(i) Sale of goods

The specific recognition criteria described below must also be met before revenue is recognized. The company has a one stream of revenue i.e. Sale of products.

Further, revenue from sale of goods is recognised based on a 5-Step Methodology which is as follows:

Step 1: Identify the contract(s) with a customer

Step 2: Identify the performance obligation in contract

Step 3: Determine the transaction price

Step 4: Allocate the transaction price to the performance obligations in the contract

Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Revenue from sale of goods is recognised when control or substantial risks and rewards of ownership are transferred to the buyer under the terms of the contract, generally on delivery of goods.

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government).

Consideration is generally due upon satisfaction of performance obligations and receivable is recognized when it becomes unconditional.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and claims, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers:

(ii) Contract Balances

Trade Receivables

A receivable represents the Company's right to an amount of consideration that is unconditional.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Company performs under the contract.

(iii) Other Income

Other income is comprised primarily of interest income. Interest income is recognized using the effective interest method and where no significant uncertainty as to measure or collectability exists.

11 EMPLOYEE BENEFITS

(i) During Employment benefits

(a) Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Post Employment benefits

(a) Defined contribution plans

A defined contribution plan is a post employment benefit plan under which a Company pays fixed contribution into a separate entity and will have no legal or constructive obligation to pay further amounts.

(b) Defined benefit plans

The Company pays gratuity to the employees who have completed five years of service with the company at the time when employee leaves the Company.

The gratuity liability amount is unfunded and formed exclusively for gratuity payment to the employees.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the periods during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post employment are charged to Other Comprehensive Income.

Compensated Absences : Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

(c) Termination benefits

Termination benefits are payable when employment is terminated by the Company before the normal retirement date or when an employee accepts voluntary redundancy in exchange for these benefits. In case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer.

12 INCOME TAXES

Income tax expense comprises current and deferred tax. Tax is recognised in statement of profit and loss, except to the extent that it relates to items recognised in the other comprehensive income or in equity. In which case, the tax is also recognised in the other comprehensive income or in equity.

(i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or subsequently enacted at the Balance sheet date.

Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current tax provision is computed for income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have enacted or substantively enacted by the end of the reporting year. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting year. Deferred tax is recognised to the extent that it is probable that future taxable profit will be available against which they can be used.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- a) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) The Deferred Tax Assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable Company.

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period i.e. the period for which MAT credit is allowed to be carried forward.

In the year in which the company recognizes MAT credit as an asset in accordance with the GN on accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

13 BORROWING COSTS

General and specific Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of that asset till the date it is ready for its intended use or sale. Other borrowing costs are recognised as an expense in the year in which they are incurred.

14 LEASES

The company has applied Ind AS 116 using the modified retrospective approach and therefore the comparative information has not been and continues to be reported under Ind AS 17.

(i) As a lessee

The company recognises a Right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The Right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. Right of- use assets are depreciated on a straight-line basis over the shorter of the lease term. In addition, the Right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. Generally, the company uses its incremental borrowing rate as the discount rate.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Short-term leases and leases of low-value assets

The company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

(ii) As a lessor

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

15 PROVISIONS AND CONTINGENT LIABILITIES & ASSETS

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements.

Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

16 SEGMENT REPORTING

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial statement is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

17 FAIR VALUE MEASUREMENT

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy.

Determining the Fair Value

While measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

18 ROUNDING OFF OF AMOUNTS

All amounts disclosed in financial statements and notes have been rounded off to the nearest Millions as per requirement of Schedule III of the Act, unless otherwise stated

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

(a) Impairment test of Non Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent to those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing impairment, management estimates the recoverable amount of each asset or CGU based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

(b) Recognition and measurement of Provisions and Contingencies

Provisions and liabilities are recognized in the year when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

Contingencies

In the normal course of business, contingent liabilities may arise from litigation, taxation and other claims against the Company. Where it is management's assessment that the outcome cannot be reliably quantified or is uncertain, the claims are disclosed as contingent liabilities unless the likelihood of an adverse outcome is remote. Such liabilities are disclosed in the notes but are not provided for in the financial statements. When considering the classification of legal or tax cases as probable, possible or remote, there is judgement involved. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on the Company's financial position.

(c) Measurements of Defined benefit obligations plan

The Cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(d) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting year.

(c) Income Taxes

There are transactions and calculations for which the ultimate tax determination is uncertain and would get finalized on completion of assessment by tax authorities. Where the final tax outcome is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax in the year in which such determination is made.

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that the taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized based upon the likely timing and the level of future taxable profits together with future planning strategies.

(f) Depreciation / Amortisation and useful lives of Property Plant and Equipment (PPE) / Intangible Assets: -

PPE / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods are revised if there are significant changes from previous estimates.

(g) Exceptional items

Exceptional items are those items that management considers, by virtue of their size or incidence, should be disclosed separately to ensure that the financial statement allows an understanding of the underlying performance of the business in the year, so as to facilitate comparison with prior periods. Such items are material by nature or amount to the year's result and / or require separate disclosure in accordance with Ind AS. The determination as to which items should be disclosed separately requires a degree of judgement.

(h) Global health pandemic on Covid-19

The outbreak of corona virus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In assessing the recoverability of Company's assets such as financial asset and non-financial assets, the Company has considered internal and external information. The Company has evaluated impact of this pandemic on its business operations and based on its review and current indicators of future economic conditions, there is no significant impact on its financial statements and the Company expects to recover the carrying amount of all the assets.

4 STANDARDS (INCLUDING AMENDMENTS) ISSUED BUT NOT YET EFFECTIVE

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1, Presentation of Financial Statements – This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and the impact of the amendment is insignificant in the financial statements.

Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors – This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and there is no impact on its financial statements.

Ind AS 12, Income Taxes – This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and there is no impact on its financial statements.

As at March 31, 2023		0.81
Net Carrying value as at March 31, 2023		0.45
Net Carrying value as at March 31, 2022		1.33
Net Carrying value as at April 1, 2021		2.53

Notes :

(i) The Company has not revalued Rights to use assets during the reporting year.

(ii) The Company has entered into lease arrangements for its office and godown purpose. These leasing arrangements are of 3 years on an average and are usually renewable by mutual consent on mutually agreeable terms.

(iii) Refer note 20 for disclosures pertaining to lease liabilities.

(iv) The weighted average incremental borrowing rate applied to lease liabilities is 8%.

(v) The following amount are recognised in the profit and loss:

(Amount in INR Millions, unless otherwise stated)		
Particulars	Year ended 31 March 2023	Year ended 31 March 2022
Depreciation expenses of right of use assets (refer note 29)	0.50	1.72
Interest expenses on lease liabilities (refer note 20 and 28)	0.06	0.16
Expenses relating to short term leases (refer note 20 and 30)	5.48	3.38

(vi) The lease agreements for immovable properties where the company is the lessee are duly executed in favour of the company.

(i) Leave Obligations

The leave obligations cover the company's liability for sick and earned leave.

(ii) Post Employment obligations

a) Gratuity

The company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of five years are eligible for gratuity. The amount of gratuity payable on retirement/ termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied by number of years of service.

The gratuity plan is a unfunded plan and the company makes contributions to recognised funds in India. The company does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimations of expected gratuity payments.

The amount recognised in the balance sheet and the movement in the net defined benefit obligation over the period are as follows

35. CAPITAL MANAGEMENT

For the purpose of the company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The company includes within debt, interest bearing loans and borrowings, less cash and cash equivalent.

Particulars	March 31, 2023	March 31, 2022	April 1, 2021

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair values for security deposits and other financial assets were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the Fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The fair values of non current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

ii. Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are recognised and measure at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows below:

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2 - The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity shares, contingent consideration and indemnification assets included in level 3.

PLAZA WIRES LIMITED (FORMERLY KNOWN AS PLAZA WIRES PRIVATE LIMITED)**NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2023**

(Amount in INR Millions, unless other wise stated)

37. FINANCIAL RISK MANAGEMENT

The company's activity expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial

(A) Credit risk

Credit risk is the risk that the counterparty will not meet its obligations leading to a financial loss. Credit risk arises from cash and cash equivalents carried at amortised cost and deposits with banks and financial institutions, as well as credit

i. Credit risk management

The company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed on a group basis for each class of financial instruments with different characteristics. The company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive

ii. Expected credit loss for trade receivables under simplified approach

Loss allowance on March 31, 2022	11.30
Changes in loss allowance	0.58
Loss allowance on March 31, 2023	11.88

Significant estimates and judgements**Impairment of financial assets**

The impairment provisions for financial assets disclosed above are based on assumptions by management about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

PLAZA WIRES LIMITED (FORMERLY KNOWN AS PLAZA WIRES PRIVATE LIMITED)
NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2023

37. FINANCIAL RISK MANAGEMENT

(Amount in INR Millions, unless other wise stated)

(B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the dynamic nature of the underlying businesses, company maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows.

(i) Maturities of financial liabilities

The tables below analyse the company's financial liabilities into relevant maturity groupings based on their contractual maturities :

Contractual maturities of financial liabilities

Particulars	Carrying Value	Less than 1 year	Between 1 and 5 years
March 31, 2023			
Non-derivatives			
Borrowings	396.75	339.97	56.78
Lease Liabilities	0.49	0.40	0.09
Trade payables	104.85	104.85	-
Other financial liabilities	7.46	-	7.46
Total non derivative liabilities	509.55	445.22	64.33
March 31, 2022			
Non-derivatives			
Borrowings	400.93	348.62	52.30
Lease Liabilities	1.36	0.91	0.45
Trade payables	109.24	109.24	-
Other financial liabilities	6.46	-	6.46
Total non derivative liabilities	517.99	458.77	59.21
April 1, 2021			
Non-derivatives			
Borrowings	433.04	345.45	87.59
Lease Liabilities	2.79	0.98	1.81
Trade payables	102.94	102.94	-
Other financial liabilities	6.33	-	6.33
Total non derivative liabilities	545.10	449.37	95.73

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market prices. Market risk comprises three types of risk: foreign currency risk, interest rate risk and other price risk such as equity price risk and commodity risk.

(i) Foreign currency risk

The company does not operate internationally and is not exposed to foreign exchange risk arising from foreign currency transactions.

Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (INR). The risk is measured through a forecast of highly probable foreign currency cash flows. The objective of the company is to minimise the volatility of the INR cash flows of highly probable forecast transactions.

PLAZA WIRES LIMITED (FORMERLY KNOWN AS PLAZA WIRES PRIVATE LIMITED)**NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2023****(ii) Interest rate risk**

The company's main interest rate risk arises from long-term borrowings with variable rates, which expose the company to cash flow interest rate risk. During March 31, 2023, March 31, 2022 and April 1, 2021, the company's borrowings at variable rate were denominated in INR.

(a) Interest rate risk exposure

The exposure of the company's borrowing to interest rate changes at the end of the reporting period are as follows:

(Amount in INR Millions, unless otherwise stated)

Particulars	March 31, 2023	March 31, 2022	April 1, 2021
Variable rate borrowings	306.66	313.11	317.61
Fixed rate borrowings	90.02	86.01	114.13
Total borrowings	396.68	399.12	431.74
% of borrowings at variable rate	77%	78%	74%

(b) Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates. Other components of equity change as a result of an increase/decrease in the fair value of the cash flow hedges related to borrowings.

Particulars	Impact on profit before tax		
	March 31, 2023	March 31, 2022	April 1, 2021
Total Interest expense on borrowing (in Millions)	40.30	33.22	36.14
Interest rates - increase by 100 basis points (100 bps)*	0.40	0.33	0.36
Interest rates - decrease by 100 basis points (100 bps)*	(0.40)	(0.33)	(0.36)

* holding all other variables constant

(iii) Price risk**(a) Exposure**

Commodity price risk - The company is in the business of manufacturing cables and wires and will be affected by the price volatility of mainly copper (metal) commodity. Its operating activities require the ongoing purchase and manufacture of finished goods - Cable and wires and therefore require a continuous supply of raw material - Copper. Due to the significantly increased volatility of the price of the copper, the company also entered into various daily purchase contracts in an active market.

The sensitivity analysis of the change in copper price on the inventory as at year end, other factors remaining constant is given in table below:

(b) Sensitivity**Commodity price sensitivity**

Particulars	Effect on profit and loss account		
	March 31, 2023	March 31, 2022	April 1, 2021
Copper- Raw Material			
Copper- Raw Material - Increase in sale price by 100 basis points	0.60	0.54	0.26
Copper- Raw Material - Decrease in sale price by 100 basis points	(0.60)	(0.54)	(0.26)

PLAZA WIRES LIMITED (FORMERLY KNOWN AS PLAZA WIRES PRIVATE LIMITED)
NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2023

42. FIRST TIME ADOPTION

Pursuant to the Companies (Indian Accounting Standard) Second Amendment Rules, 2015, the Company has prepared its first set of statutory financial statements as per Indian Accounting Standards (Ind-AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) the comparative information presented in these financial statements for the year ended March 31, 2022 and in the preparation of an opening Ind AS balance sheet as at April 1, 2021 (the "transition date"). Upto the financial year ended March 31, 2022, the Company prepared its financial statements in accordance with accounting standards prescribed under Section 133 of the Companies Act, 2013 ("Indian GAAP").

Prior year numbers have been restated and hence it will not tie up with the signed financial statements for earlier years.

In preparing our opening Ind AS balance sheet, the Company has adjusted amounts reported in financial statements prepared accordance with IGAAP. An explanation of how the transition from IGAAP to Ind AS is set out in following table and notes. On transition we did not revise the estimates previously made under IGAAP except where required by Ind AS.

A. Exemptions and exceptions availed on first time adoption of Ind AS

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

1. Ind AS optional exemptions

i. Cumulative translation differences

i. Deemed cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment and intangible assets covered by Ind AS 38 - Intangible Assets as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition.

Accordingly, the company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

2. Ind AS mandatory exceptions

i. Estimates

On assessment of the estimates made under the previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under previous GAAP are made by the Company for the relevant reporting dates reflecting conditions existing as at that date. Key estimates considered in preparation of financial statements that were not required under the previous GAAP are listed below:

- Impairment of financial assets based on expected credit loss model.
- Effective interest rate used in calculation for discounting of leases and ROU

ii. Classification and measurement of financial assets:

The Company has classified the financial assets in accordance with IndAS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

Other comprehensive income		
Remeasurement of gains (losses) on defined benefit plans	3	1.11
Income tax effect		(0.30)
Total comprehensive income as per Ind AS		61.19

(Amount in INR Millions, unless other wise stated)

Impact of Ind AS adoption on the statements of cash flows for the year ended March 31, 2022

Particulars	Balance as per Indian GAAP	Adjustments	Ind AS Balance
Net cash flow from Operating Activities	113.03	(2.66)	110.37
Net cash flow from Investing Activities	(42.26)	(0.01)	(42.27)
Net cash flow from Financing Activities	(69.86)	1.74	(68.12)
Net Increase/(Decrease) in cash and cash equivalents	0.91	(0.93)	(0.02)
Cash and cash equivalents as at April 1, 2021	0.09	0.01	0.10
Cash and cash equivalents as at March 31, 2022	1.00	(0.92)	0.08

Note 1: Leases

Ind AS 116 standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the balance sheet. The Company adopted Ind AS 116 using the modified retrospective method of adoption which resulted in to recognition of right-of-use assets, lease liabilities and consequent changes in the statement of profit and loss and cashflows.

Also, interest free lease security deposits were recorded at their transaction value under the Indian GAAP. However, under IndAS, all material financial assets are required to be recognised at fair value. Accordingly, the company has fair valued material security deposits, if any by discounting them over the lease period under IndAS. Difference between the fair value and transaction value of the security deposit has been recognised as prepaid rent which has been adjusted in the value of ROU asset.

Interest on lease liabilities	(0.94)	(0.77)
Depreciation on right of use assets	(10.35)	(8.64)
Reversal of lease expenses	11.55	9.45
	(0.13)	(0.35)

Note 2: Deferred tax

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP.

In addition, the various transitional adjustments lead to temporary differences. According to the accounting policies, the company has to account for such differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or a separate component of equity.

(Amount in INR Millions, unless other wise stated)

Statement of Profit and Loss	Year ended March 31, 2022
Income tax effect	0.02

(Amount in INR Millions, unless other wise stated)

Standalone Statement of Balance Sheet	As at March 31, 2022	As at April 1, 2021
Tax effects of adjustments	3.91	4.20

Note 3: Remeasurements of post-employment benefit obligations

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year.

(Amount in INR Millions, unless other wise stated)

Statement of Profit and Loss	Year ended March 31, 2022
Gratuity expense	(1.11)
Remeasurement of gains (losses) on defined benefit plans	1.11
Income tax effect	(0.30)

Note 4: Trade and Other Receivables

Under Indian GAAP, the company has created no provision for impairment of receivables consists only in respect of specific amount for incurred losses. Under Ind AS, impairment allowance has been determined based on Expected Loss model (ECL). The impact of INR 0.58 millions and 0.03 millions and 3.50 millions for year ended on March 31, 2023 and March 31, 2022 and April 1, 2021 respectively has been recognized in the statement of -profit and loss.

Note 5: Retained earnings

Retained earnings as at April 1, 2021 has been adjusted consequent to the above Ind AS transition adjustments.

Note 6: Other comprehensive income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the standalone statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist under previous GAAP.
